

**GLASS-LIKE FINISH**  
Glazed tile has a glass-like finish composed of natural materials fused at extremely high temperatures to the body of the tile. The surface may be clear, white or colored, the Ceramic Tile Institute states.

**Gardena Valley Association Sets Dedication**

Dedication for the training center for the Garden Valley Association for Mentally Retarded Children will be held at 2 p.m. Saturday, April 15, at the remodeled building, 1119 Redondo Beach Blvd., with Robert Kane, mayor of Gardena, as the principal speaker.

Invocation will be given by Rabbi Henry E. Kaus, Ph.D., of Beth Torah Temple. Stanley LeBon, president of the board of the association, will give a brief resume on the background of the group and what is planned for the future.

Beth Torah Temple has been the locale of the training center since last November. With the completion of alterations, the newly remodeled center building at 1119 Redondo Beach Blvd. is complete with kitchen facilities and classrooms. Play yards and outside patios give the children more room.

There are 22 children attending the training center under the direction of instructor Larry Neece. Volunteer workers help each day with the children.

The public is invited to attend the dedication services and inspect the building and facilities. Anyone wishing to give volunteer work may obtain information at the Center, 1119 Redondo Beach Blvd.

**PINCH BACK FUCHSIAS**  
Pinch back Fuchsias to make the plants busy and concentrate the bloom.

**CHILD TRAINING**—Children attending the Garden Valley Association for Mentally Retarded Children Center receive training in rhythm and coordination from teacher Larry Neece. Approximately 22 children attend

the center which is being dedicated Saturday, April 15, at 2 p.m. Children from the Torrance, Lomita, Wilmington, Harbor City and Carson area attend the sessions.
